We Love Saturday Night Suppers

If you just can't face cooking here's the perfect recipe as tried and tested by one happy Watson family.

Serves 4

1 car
1 husband/partner
1 fat wallet
1 bottle wine

Prep time: 30 minutes if you're quick
Skill level: EASY

1. Decide which ready meal you want to eat.
2. Agree who will go to the Shop i.e. partner.
3. Send partner on his way with clear instructions as to what is required and where the store is.
4. Get cutlery and plates ready.
5. Answer the phone when partner calls to ask you to decide which ready meal you want, even though you spent ages agreeing beforehand.
6. Take cork out of wine.
7. Pour nice big glass.
8. Turn on TV put your feet up and wait for your meal to arrive.
9. Put delicious ready meal in the oven and when it goes "Ping" take it out.
10. Dish up serve and relax!

Waddesdon Manor

Let's have a day out
by Derek Hayter

Fancy a day out to somewhere good,
Doreen said I think we should.
Costessey Flower Club on the road,
I'm sure that we could get a load.

Let's all go to somewhere nice,
Waddesdon manor was the choice.
The day arrived, the sky was blue,
As Alasdair's coach came into view.

Smoothly down the motorway,
A pleasant journey was had today.
The Manor then came into sight,
As from the coach we did alight.

People dispersed left right and centre,
But to the restaurant we did enter.
Suitably refreshed, to the gardens we went,
To see it all was our intent.

Colours white, pink and red,
Stood out in every flower bed.
We then assembled by the door,
To view the Manor on every floor.

Every portrait and every treasure,
To see them all was a pleasure.
Time to make our journey home,
Until again we may roam.

IT ONLY LEAVES US TO SAY

THANK YOU DOREEN FOR A LOVELY DAY.

Photography Day - Saturday 17th July

A really interesting, well attended day. Thank you to all Costessey members for your support on the day. *Adele*

Flower of the Month

September: Aster

Asters have a flower meaning of patience and daintiness. Aster is Latin for star which is referring to the flower's star shape. Aster is closely related to the Chrysanthemum. The aster is considered the other classic autumn flower besides the chrysanthemum.
