Visit to The Manor House, Heslington - home of George Smith and RHS Harlow Carr 7th - 8th June 2011

Ladies oh ladies may I just say
I think a poem is coming your way
Doreen, you've given us such a treat
The Gardens have been just up our street.

The time keeping by driver Paul
Has greatly impressed us one and all
Dear sweet George - oh what a gent
Everything done with an artistic bent!!

Arrival at The Crown so posh
The Munchkin's said great lots more nosh
Betty's cafe, the place to eat
The Munchkin's had a window seat.

On leaving Harrogate we don't go far
Before reaching Harlow Carr
From here we'll take home lots of thoughts
To help us with the plants we bought.

Homeward now, we're on our way
There's only one more thing to say
Doreen have you counted us on the bus
If so - a big thank you from all of us.

Demonstration in June with

Thursday 7 July Garden Meeting - visit to East Carleton Manor Home of Hazel Chapman

After a rainy July day, armed with umbrellas and rainproof coats we arrived at East Carleton Manor at 6.30pm. We were directed into the car park by Hazel's grandsons and then guided by the Head Gardener, made our way into the garden.

What a wonderful sight. Immaculate landscaped gardens, surprises round every corner including an Italian sunken garden and water lilies on the pond. After a leisurely stroll round the grounds we were treated to tea and cake served by Hazel Chapman, her son Clive and daughter-in law.

Thank you to Doreen for organising another brilliant trip..... where to next?
