5th December - Open Meeting

A message from our Chairman

2012 has been a significant year in the history of Costessey Flower Club being our 40th Anniversary. We have enjoyed some special moments including our Anniversary Day as well as our Celebration Dinner at Park Farm Hotel.

We have seen some fabulous displays of flower arranging whilst being entertained by some of our favourite demonstrators.

Sadly we have also lost some of our members and flower club friends too. Our thoughts are with their families and friends at this time.

As we start to look forward into next year we have a lovely selection of demonstrations lined up again, the first one being myself on 7th February. This is followed by our AGM and Supper on 7th March which is usually a lovely evening, so we hope many of you will attend.

I look forward to leading you through another successful year for the Club and thank you all for continuing to be loyal members, who create the warm and friendly flower club that Costessey is.

Merry Christmas and a Happy New Year to you all.

Adele

AGM and Supper — 7th March 2013

Please remember to collect and return the envelope for the AGM Supper, with your payment inside and your name on the front, to Jane, our Treasurer, as soon as possible to secure your place.

Donations collected through the sale of the £1.50 Christmas parcels tonight will be going to Charity

Watch out on TV for.....

**BBC 2 between 9pm and 10pm
Friday 7th December**

A BBC series takes a behind the screens look at one of Britain's most historic institutions Westminster Abbey. Each one of the three episodes explores the inner workings of this unique landmark.

Look out for this episode when our very own Tina Carr and Adele Kent will possibly appear during a feature on flower arranging in the Abbey, when they had the honour of creating part of a beautiful display.

Another successful Workshop In November

Our workshop for members in early November included two different arrangements. Firstly we created an arrangement incorporating sticks or twigs decorated with various wools, a small bunch of flowers (roses or gerbera mainly) and some foliage, in a flat tray or dish.

We then moved on to pick up on an idea which Brenda Tubb demonstrated to us all at our November Meeting, using a flower pot which was covered in paper or cellophane, in which we placed part of a block of oasis. Using mainly large roses and a small amount of foliage we created a lovely round display. These would make lovely presents for friends at Christmas.

Thank you to those who supported this day and Adele for her demonstrations and helpful instruction.

Remember !

Our next Meeting is at Breckland Hall on **Thursday 7th February.**

We have no Meeting in January.

Have a lovely Christmas and Happy New Year.
