**December 2020**

**Costessey Flower Club**

## **Costessey Flower Club blazing a trail!**

I would like to thank everyone who was able to join our December meeting via Zoom. This was my last demonstration after 14 years so it was an emotional occasion for me! In fact, it turned into two demonstrations on the day! Costessey was approached by Norwich Flower Club to see if they could also join as they have not any meetings since February. As there is a limit on the number of people that can join a Zoom meeting, we decided to run two separate demonstrations with Norwich in the afternoon and Costessey, as planned, in the evening. It was wonderful to see the Norwich members getting back together for the first time in so many months.

Our meeting in the evening was also joined by friends, family and members of West Norfolk Flower Club. I would like to thank my Elf helper (Alan) who has been a great support over the years and caused a few giggles on the evening! I have been overwhelmed by the emails, cards and messages since that evening so I want to say thank you so much to everyone. All the ladies who received flowers in the raffle were thrilled – it was a pleasure to deliver them.

Here is to a Happier and Healthier 2021. Hopefully we will meet again in the not too distant future. In the meantime, have a safe and Happy Christmas and New Year.

Adele

Chairman, Costessey Flower Club

*Mrs Beryl Oldrey (Caroline's mum) was absolutely thrilled with her flowers and said they really cheered her up in these difficult times.*

## Christmas Wreath Workshop

We had a very successful wreath workshop on Friday 27<sup>th</sup> November via Zoom with 17 ladies taking part. They made really welcoming Christmas wreaths, either to go on the front door or for the table.

Our Christmas wreath gallery is below – enjoy!

---

## Christmas Jam Jar Jamboree!

You may recall that, for a bit of December fun, we invited you to do an arrangement in jam jars or tins. And the results are shown below!

So, thank you to all the amazing ladies who took part. It just shows that a simple idea can look fab and we should raise a glass to thank all our members on Christmas Day.

Committee contact points for you:
